

## **PIONEER RENAISSANCE**

Great things are happening this year at Warren County High School and we would like to offer you an opportunity to be involved! Our new **Pioneer Renaissance** is a PTO project to reward students for the “straight A’s:” Academics, Attendance, and Attitude.

### **What is Renaissance?**

Through Renaissance, we want to recognize and reward our students’ academic achievements, good attendance, and good behavior. We will be rewarding the students through a card system. Renaissance Cards will be awarded each semester based on performance from the previous semester. The cards will only be valid for 6 months, and must be presented with a photo ID. The student must continue to achieve in order to keep receiving a valid card. There are hundreds of schools across the nation reporting higher GPA’s and test scores, better attendance, fewer discipline referrals, and improved overall school climate with the implementation of this “philosophy” within their staff and student body.

### **How can you be involved?**

Here at WCHS we have developed a rewards list for these students that acheive; however, we would like to offer you the opportunity to help recognize and reward these students as well. By offering cardholders a discount at your place of business, you help to make the Renaissance Cards more valuable. The Pioneer Renaissance Card will carry discounts from area businesses much like the “Smart Card” has done in the past.

Thank you very much for your time and consideration. If you have questions, please call Dr. Jeff McKinley, PTO President (473-2355) or Delia Walker, Renaissance Coordinator (473-8700).
